STW30 - Big Digit Stopwatch

Large Display with Backlighting and Unique Weekday Indicator

The STW30 combines easy-to-read oversized digits with versatile timing and timekeeping functions, making it ideal for sports, training, education, laboratories, and general time management. It features 1/100th-second resolution and accuracy with a timing capacity of up to 23 hours, 59 minutes, and 59.99 seconds. In addition to stopwatch operation, the STW30 offers 12/24-hour time display, calendar and weekday indication, a daily alarm, lap timing with two-lap memory, and a programmable countdown timer with memory. A built-in backlight ensures clear visibility in low-light environments, providing reliable performance wherever accurate timing is required.

Key Features:

- **1/100th-second timing resolution and accuracy**
- **Large backlit LCD for easy viewing**
- **Displays time, calendar, and weekday information**
- **Lap timing and countdown timer with memory functions**
- **Durable ABS/PC housing with a rugged, attractive design**
- **Long-lasting battery provides up to 12 months of operation**
- **Includes a convenient 24" (600mm) lanyard**
- **Optional Traceable Calibration model includes a Certificate of Traceability to N.I.S.T. for quality assurance and compliance documentation**
